

2007 Komatsu Dealer Awards

In June 2007, in Porto Carras (Greece), Komatsu Forklift took the chance to award some of their best Komatsu Dealers during the Distributor Meeting.

Indeed, Komatsu usually organizes the Distributor Meeting once a year: this time the favourite location was a pleasant area in Northern Greece, on the western coast of Sithonia, Halkidiki's central peninsula.

In order to celebrate a rather demanding working year, all dealers were invited - on the evening 20th June - to enjoy a summer dinner while cruising on a pirates ship. Soon after, an informal ceremony was quickly set up with extreme surprise of the attendees: Komatsu Forklift handed out a number of plates to some dealers for Excellent Team Working, Most Improved Sales 2006vs2005, Highest Volume, Best New Distributor, Most Balanced Sales Portfolio.

Furthermore, one of the Greek distributors received two awards: Highest Market Share and Best Corporate Distributor for working really hard during 2006-mid 2007.

The evening went by with a show of traditional Greek dances in an enchanting atmosphere and ended up with a relaxing cruise along the coast.

Komatsu Forklift took this opportunity to reward its colleagues and to establish a more close relationship among all distributors, through a pleasant evening during the official meeting.
